Portfolio: <https://jstable1.github.io/professional-portfolio/>

Innovative web developer leveraging background in intellectual property law to create efficient and user-friendly web applications. Self-starter with a “hit the ground running” mentality who is passionate about writing organized code. Adaptable and has the ability to learn new coding languages due to outstanding research skills honed by seven years of legal experience. Intensive experience in object-oriented programming and both relational and non-relational databases.

TECHNICAL SKILLS

HTML/HTML5, CSS: Custom/Bootstrap/Bulma, JavaScript, JQuery, Node.js, Express.js, SQL: MySQL/Sequelize/Postgres, MongoDB/Mongoose, React.js, GraphQL and Python
